Subpart A—Exportation of Used Self-Propelled Vehicles, Vessels, and Aircraft

§ 192.1 Definitions.

The following are general definitions for the purposes of this subpart A.

Certified. “Certified” when used with reference to a copy means a document issued by a government authority that includes on it a signed statement by the authority that the copy is an authentic copy of the original.

Copy. “Copy” refers to a duplicate or photocopy of an original document. Where there is any writing on the backside of an original document, a “complete copy” means that both sides of the document are copied.

Export. “Export” refers to the transportation of merchandise out of the U.S. for the purpose of being entered into the commerce of a foreign country.

Self-propelled vehicle. “Self-propelled vehicle” includes any automobile, truck, tractor, bus, motorcycle, motor home, self-propelled agricultural machinery, self-propelled construction equipment, self-propelled special use equipment, and any other self-propelled vehicle used or designed for running on land but not on rail.

Ultimate purchaser. “Ultimate purchaser” means the first person, other than a dealer purchasing in his capacity as a dealer, who in good faith purchases a self-propelled vehicle for purposes other than resale.

Used. “Used” refers to any self-propelled vehicle the equitable or legal

title to which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

§ 192.2 Requirements for exportation.

(a) **Basic requirements.** A person attempting to export a used self-propelled vehicle shall present to Customs, at the port of exportation, both the vehicle and the required documentation describing the vehicle, which includes the Vehicle Identification Number or, if the vehicle does not have a Vehicle Identification Number, the product identification number. Exportation of a vehicle will be permitted only upon compliance with these requirements, unless the vehicle was entered into the United States under an in-bond procedure, or under a carnet or Temporary Importation Bond; a vehicle entered under an in-bond procedure, or under a carnet or Temporary Importation Bond is exempt from these requirements. The person attempting to export the vehicle may employ an agent for the exportation of the vehicle.

(b) **Documentation required—**(1) *For U.S.-titled vehicles—*(i) *Vehicles issued an original certificate of title.* For used, self-propelled vehicles issued, by any jurisdiction in the United States, a Certificate of Title or a Salvage Title that remains in force, the owner must provide to Customs, at the time and place specified in this section, the original Certificate of Title or a certified copy of the Certificate of Title and two complete copies of the original Certificate of Title or certified copy of the original.

(ii) *Where title evidences third-party ownership/claims.* If the used, self-propelled vehicle is leased or a recorded lien exists in the U.S., in addition to complying with paragraph (b)(1)(i) of this section, the provisional owner must provide to Customs a separate writing from the third-party-in-interest which expressly provides that the subject vehicle may be exported. This writing must be on the third-party's letterhead paper, and contain a complete description of the vehicle including the Vehicle Identification Number
